

# DEFENSIBLE SPACE PROGRAM

## LASSEN COUNTY DEFENSIBLE SPACE ASSISTANCE PROGRAM

### GET DEFENSE.

Is your property eligible for this service? In 2023 and 2024, assistance will be available to help vulnerable, disabled, or low-income communities within Lassen County create good Defensible Space. Lassen Fire Safe Council's (LFSC) Defensible Space Program includes no-cost property assessments and treatment of eligible properties. Eligible properties are those properties that are located within low-income communities, disadvantaged communities, or are owned by a senior citizen, disabled person, or veteran within a High or Very High Severity Rating area. LFSC's staff is working on implementing this program. For now, we have sign-up sheets circulating throughout the Firewise communities.
