Project Name: Diamond Project

Project Coordinates: N40.3125 W120.6833

Summary of Project: The Eagle Lake RD is proposing to create DFPZ's on FS lands to provide protection from wildfire around or near the communities of Susanville, Janesville and out lying residences in the proximity of FS lands in the Diamond Mountain Area. Development of the proposed action is in progress. The project will be split into two separate projects, Diamond East and Diamond West. Proposed project objectives include the reduction of surface, ladder, and canopy fuels to reduce fire behavior.
